Welcome to Martin's Bar

Settle in, grab a drink & take in the fantastic views over the Dorset countryside.

Here at Martin's Bar, we are incredibly proud of our roots and love celebrating everything that makes our local area so special - especially when it comes to what is on your plate!

TASTE OF THE WEST

We are incredibly lucky to be surrounded by some of the best produce in the UK, and we believe great food shouldn't have to travel far. We take huge pride in keeping our food miles low by partnering with over 20 fantastic local suppliers and businesses. Not only does this support our local economy and the environment, but it also means we get to serve you the freshest, seasonal ingredients in every dish.

LOCAL HISTORY

While you're here with us, be sure to take a wander and explore our unique collection of fire engine memorabilia. Spanning decades of history, our displays include everything from vintage helmets to our beautifully restored 1936 Leyland and a 1902 Merryweather horse-drawn engine. It's the perfect little activity to enjoy after your meal.
